INTRODUCTION TO THE UNIVERSITY

The Maharishi Mahesh Yogi Vedic Vishwavidyalaya (MMYVV) was established by the Act No. 37 of 1995 of Madhya Pradesh Government vide gazette notification no 573 dated 29 November 1995. The University head office is at - Brahmasthan of India, Karaundi, District- Katni, Madhya Pradesh. The University is reputed to disseminate quality education. The University is an affiliating university with Jurisdiction spread over entire Madhya Pradesh. His Holiness Maharishi Mahesh Yogi Ji was the first Chancellor of the University. Presently Brahmachari Girish (Dr. Girish Chandra Varma) is the Chancellor. MMYVV has been recognized and included in the list of Universities, maintained by the UGC under section 2 (f) of the UGC Act, 1956. It is also a member of Association of Indian Universities. The University offers Ph.D. Post Graduate Degree/Diploma Graduate, and Diploma/Certificate Programmes in Vedic Science, Education, Management and Computer Science. D.Ed, B.Ed. and B.P.Ed. courses are approved by National Council of Teachers Education [NCTE].

University has established its Directorate of Distance Education in Vijay Nagar, Jabalpur and is initially operating through its 8 centers across M.P. The Directorate of Distance Education has introduced B.A., B.Com., BCA, CIC and Post Graduate Diploma in Audio Programme Production (PGDAPP). These courses are approved by the Distance Education Council (DEC). MMYVV, is a IGNOU Partner Institution for Scheme of Convergence of Open & Distance Learning (ODL) & Conventional systems. Under this scheme 24 selected programmes are offered to the students at Bhopal, Indore and Jabalpur campuses of MMYVV in MP. MMYVV students can now qualify for dual degrees in the same academic year by combining one regular and one convergence course concurrently. To further assist students audio-visual rooms are being setup in select campuses so that students can listen to educational programmes broadcast through Satellite and Internet as also exploit multi-media for learning.

SPECIAL FEATURES OF EDUCATION AT MMYVV

Maharishi's Vedic Science - Consciousness Based Education

Students at Maharishi Mahesh Yogi Vedic Vishwavidyalaya are given an integrated, unified version of all aspects of life through study of the principles of Maharishi's Vedic Science and Technology and study of the Laws of Nature, which structure and uphold growth and progress in all forms of nature, including human life. Maharishi's Vedic Science includes the study of all 40 aspects* of Ved and Vedic Literature. Students feel an intimate connection to these universal principles of Vedic Science and come to understand the simple functioning of Natural Law in their own lives and in the world around them. The key value of studying the Maharishi's Vedic Science is that the students learn the connectedness of these universal principles of intelligence to their own Pure Consciousness, experienced in their daily practice of Maharishi's Transcendental Meditation and its advance programmes. Maharishi Consciousness based unique system of Education helps expand individual consciousness to achieve higher states. This system of education has been successfully implemented in Schools Colleges and Universities across the world including India for more than five decades.

This balance of knowledge and experience creates an ideal situation for smooth and rapid growth in all areas of the student's lives. The daily practice of Maharishi's Transcendental Meditation provides a perfect foundation for education; the development of the students own for Consciousness, with this growth of pure wake fullness, creative genius blossoms, and intelligence and organizing power are naturally developed. For education to be complete, it must include the total development of consciousness, which is an ocean of knowledge, power and bliss. This will be a unique opportunity for the students of Maharishi Mahesh Yogi Vedic Vishwavidyalaya.

Incorporating Transcendental Meditation Programme in the curriculum

The practice of Maharishi's Transcendental Meditation Programme is the practical aspect of Maharishi's Vedic Science which studies the basic Principles underlying and supporting the development of consciousness, found throughout all of creation. This deep connection between the student's own growth of consciousness and the universe around them is an integral part of Maharishi Mahesh Yogi Vedic Vishwavidyalaya.

Maharishi's Transcendental Meditation technique is a simple, natural and effortless technique that is easily and systematically learnt by anyone irrespective of age, education, religion, or background.

The twice-daily group practice of Maharishi's Transcendental Meditation and its advanced programmes creates an environment that is ideal for the learning process. Students gain a natural orderliness and coherence; they become more receptive to knowledge; they exhibit greater alertness; and they radiate bliss and friendliness to their classmates and their teachers.

Scientific validation of Transcendental Meditation

Over 50 years of use in education, more than 600 scientific research studies in 33 countries and in 220 independent research institutions, the personal experience of over 7 million people worldwide demonstrates that the Transcendental Meditation Programme greatly benefits mind, body, and behavior. Scientific findings relevant to education include;
